

Are you ready to have a GREAT day at Little Village Kids?

Do you have . . .

- any paperwork not previously turned in?
 - Child Enrollment and Health Information
 - Pandemic Child Care Center Child Enrollment Addendum
 - Infant Care Plan Family Information Form (infants only)
 - Request for Administration of Medication (if needed)
- a full change of seasonal clothing (shirt, pants, underwear, socks)?
 - * Sometimes kids have accidents or we may get messy during our learning. Though we often have extra clothing at the center, we may not have your child's size. Please send in the above suggested clothing items with your child's name written in permanent marker on the tag. (for infants, toddlers, preschool and k ready)
- a pillow, a blanket, and a soft toy for nap time?
 - * Please mark your child's belongings with a permanent marker, in case our things get mixed up. The soft, nap time toy must remain on your child's cot throughout the week. Bedding will be sent home with you each Friday for laundering. Cots are cleaned and disinfected weekly. (for toddlers, preschool and k ready)
- diapers and wipes?
 - * All infants, toddlers and those still in Pull-Ups must bring in diapers and wipes each week. Please check with your child's teacher to make sure your child is well supplied. (for infants and toddlers)
